Map at a Glance

In 2011 we traveled to the Black Hills with Great-Grandparents, Grandparents, Parents, Children, Grandchildren and a Great-Grandchild. It was a wonderful experience for everyone who traveled! Together we enjoyed the beauty of the Black Hills, the pride of our country as we viewed Mount Rushmore, and the wonder and excitement of the gold rush as we panned for gold! In 2014 we are hoping to have your family join us on this great Multigenerational Adventure.

Day 1 - Home to Keystone S.D.

Our journey begins as we round up all of our travelers and hit the trail headed west. We'll cross over the plains of South Dakota, across the wide Missouri River, and past the Badland regions as we make our way to Keystone. We'll have lots of fun on the coach as we travel along and stop for dinner before we pull into the KBarS Lodge for a three night stay. Get acquainted with this beautiful lodge and its great views of the Black Hills and Mount Rushmore. Settle in and get ready for a great day tomorrow!

Hotel: KBarS Lodge
Included Meals: Lunch

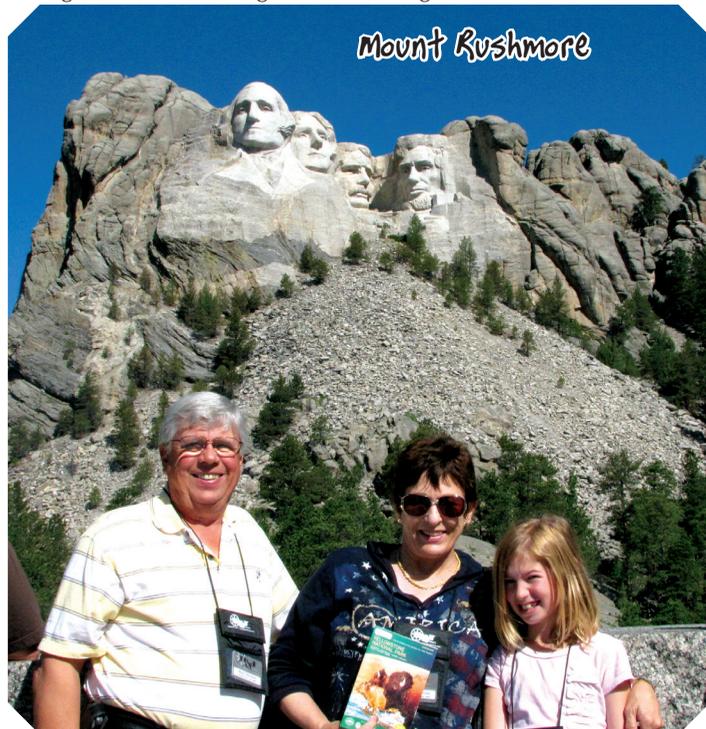

Day 2 - Touring the Black Hills

This morning we will visit Mount Rushmore and enjoy this spectacular memorial created by Gutzon Borglum to convey his meaning of America. Hike the trails, visit the museums, and enjoy this spectacular memorial. Later we will travel to Hill City where we will board an 1880 Train for a trip back in time. The old steam engine, just like those that traveled to settle the west, will take us through the beautiful Black Hills where mountains rise in the distance and deer run in the meadows. When we arrive in Keystone we will head for the Big Thunder Gold Mine that was discovered in 1882 and mined until about 1920. We'll tour the mine and then pan for some gold – who knows what you will leave the mine with!!! We will enjoy a meal together at the KBarS Lodge and then gather around the campfire for some good campfire stories and maybe a S'more (or two)!

Included Meals: Breakfast, Dinner

Day 3 - Touring the Black Hills

Today we travel deep into Custer State Park where we will enjoy its beauty and experience a bit of its wildness. We'll travel along a scenic drive with many switchbacks before we get onto the wildlife loop where you will want to keep your eyes open for deer, buffalo, and wild burros. We'll have lunch at the State Park's Blue Bell Lodge. This afternoon we'll make a stop at Sylvan Lake and view the "needle" like rocks climbing out of this beautiful lake. We continue on to Crazy Horse Memorial, a work in progress, and visiting its museum which tells the story of the American Indians in this area. Later this afternoon we travel to the Circle B Ranch for a good old Chuckwagon dinner and great entertainment. Our

wonderful day will end with a short ride back to the lodge.

Included Meals: Breakfast, Lunch, Dinner

Day 4 - Keystone to Chamberlain

This morning we'll enjoy breakfast together and have a final walk around the Lodge before we travel to Bear Country USA. We'll motor through this wildlife park enjoying the elk, deer, and other wildlife in their natural habitat. Plus a stop at "Babyland" is planned to enjoy the bear cubs playing. From here we travel towards the Badlands, making a stop for lunch, and then enjoying the unique beauty of the Badlands National Park. Stops along the way will allow for some great pictures and viewing. Then it's on to Cedar Shores Resort on the banks of the Missouri River for the evening. We'll enjoy a great dinner together and then you'll have time for an evening walk or swim!

Hotel: Cedar Shores Resort
Included Meals: Breakfast, Dinner

Day 5 - Chamberlain to Home

After breakfast we saddle up and head towards our trails end! We'll enjoy the friendships we've made and shared memories as we travel across the Missouri River & back into Minnesota, right to your door.

Included Meals: Breakfast

"We were told about R&J Tours from a friend and finally had an opportunity to book a trip. Our Great-Granddaughter truly enjoyed the trip and more than that, we enjoyed sharing the experience with her. The trip catered to both generations!"
