During the holiday season each of the special features of Myrtle Beach takes on a special cheer, and annual events give visitors an opportunity to experience a Coastal Christmas. We will take you there during the season to see Myrtle Beach at its finest. Each of the area's professional shows combine it's signature entertainment elements with special holiday themes that will get you in the spirit.*

### Day 1 - Home to Myrtle Beach

Our group will fly out of the Twin Cities on December 4th and arrive at our destination for the week at the lovely Landmark Resort a beautiful spot right on the oceanfront. Each of our rooms has its own oceanfront view. We will settle in, unpack and rest a spell before our dinner right at our resort, The Gazebo. After enjoying our evening meal, we will look around at this spacious and elegant resort. We will then retire to our rooms where sleep will come easy in our comfy surroundings.

Rise and shine, and then enjoy a nice hot breakfast at The Gazebo. Our charter coach will pick us up and take us to the Market Common where we will enjoy the warm weather and shop if we like. We might like to pick up a snack to hold us over until our evening meal. This evening we will be treated to "Legends in Concert". We will witness on stage some of the classic stars of the past like Elvis, Michael Jackson, and Frank Sinatra. We will also enjoy some of today's stars like Taylor Swift, Kenny Chesney, and Katy Perry. The performers are among the greatest collections of tribute artists in the country. They provide a blend of signature songs that the tribute artists are known for, as well as some timeless Christmas music everyone loves. Dinner tonight will be at the Chesapeake House, a Myrtle Beach family seafood restaurant since 1971. It has been family owned and operated for 40 years. It is a waterfront fish shack with a wonderful in house tasty bakery.

Enjoy a buffet dinner cruise aboard the 64 ft. Riverboat vessel. The trip is narrated by experts who bring the area to life. Captain Santa Claus will pilot our boat.
