**Day 2 - Dubuque**

Breakfast will be ready and waiting in a private room just for us! Take some time to stroll around the hotel and see the beautiful architecture before we leave for our tour of The Mississippi River Museum and Aquarium where you can take an informative, entertaining journey on the Mighty Mississippi: enjoy dynamic aquariums, historical exhibits, and a stroll through the wetlands and boatyard. Enjoy lunch on your own before we depart for St. Luke's Church, with its Romanesque style of architecture and origins in the Middle Ages. Here we will take a tour inside of the beautiful stained glass windows such as the Baptism of Christ and the Angel of Victory. Next we take a ride on The Fenelon Place elevator which is described as the world's shortest, steepest scenic railway, 296 feet in length, elevating passengers 189 feet from Fourth Street to Fenelon Place. Here you will see a magnificent view of the historic Dubuque business district, the Mississippi River and three states. Tonight we enjoy a progressive dinner where we will see numerous historic sites such as Wartburg Seminary and the Mandolin Inn with food along the way! What a way to eat your way through history!!

After you have filled your tummies with coffee and food, we depart for Potosi, WI and the Potosi Brewing Company where we will tour the National Brewery Museum as well as the Transportation

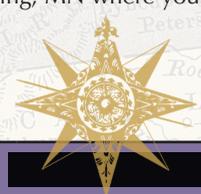

Museum. You will see how product was delivered by horse drawn wagons in the early days and by steamboat on the Mississippi, rail, and then cars and delivery trucks in the later days. The world class brewery museum showcases a breweriana collection of bottles, cans, advertising materials and much more. Enjoy lunch on your own at the Brew Pub while taking in all the antiques! This evening we will depart on the American Lady for a dinner cruise on the mighty Mississippi River.

**Day 5 - Dubuque to Home**

All aboard the coach after a scrumptious breakfast for our drive home along the Great Mississippi River Road. We will make numerous stops along the way: Prairie du Chien, WI where we will hit up the Valley Fish and Cheese Co. for a unique experience and shop for some smoked fish if you'd like! Lunch is on us at a local La Crosse restaurant before we head over to our next stop, which is The Mary of the Angels and Perpetual Adoration Chapels at St. Rose Convent. Mary of the Angels Chapel in La Crosse was named after a tiny church built in early times in the marshlands below the town of Assisi, Italy. Abandoned and in disrepair, the church, St. Mary of the Portiuncula, was given to Francis of Assisi by the Benedictines to use as a place of prayer and as headquarters for himself and his followers. The next stop, before you reach your final destination of home, is the Red Wing Shoe Museum in Red Wing, MN where you can shop for over 30,000 pair of shoes!
