

Join R&J Tours on a great adventure:

Belugas, Bears & Blooms

July 31 - August 5, 2017

Greetings Travelers!

This summer I'm leading a tour that I believe is going to be one of those "Wow" experiences and I want to invite you to travel with me. On July 31st I'm leaving with a great group of Adventurous travelers on the first ever R&J Tours, "Belugas, Bears and Blooms" tour. We will be traveling to Churchill Manitoba to experience some of nature's real beauty and wonder as we see beluga whales up close, enjoy Springtime with all its beauty and maybe even catch sight of some Polar Bears! I'll admit this probably isn't a trip for everyone, but it will be a fantastic trip for those of you who have that adventurous spirit!

We have just a handful of spots left on this small group adventure, so don't delay! I would truly enjoy having you join me and the other R&J Travelers for these 6 days of pure "Wow"! If you have questions, call the office at 1-800-758-6877 and talk to Mary (I'm out on tour right now). She can answer any questions you might have and help you get signed up!

You know I'll bet some of your Grandkids would enjoy this tour...just a thought!

I hope to see you on July 31st when we head north on this special "Belugas, Bears, and Blooms Adventure!"
