"The Vermont trip to see the fall color leaves was fantastic. Mountain after mountain displays of reds, yellows, purples, etc. leaves provided a week of scenic beauty. On top of that we were privileged to meet many new friends plus staying at the Trapp Inn.

A PICTURE PERFECT TOUR!!"

THIS R&J TOUR IS AN ULTIMATE AUTUMN EXPERIENCE.

"If you can pick and choose, there is no better time for a motor trip through Vermont than in autumn," Abner W. Coleman wrote in the very first issue of Vermont Life published in 1946.

Coleman continues to say, "Vermont during the autumn months offers delights indescribable."

This is the absolute prime time to journey through the Green Mountain State with R&J Tours! Vermont is a unique and special place, especially along the back roads, in the villages and small hamlets where quality of life and being a good neighbor is a priority. It is a place of mystical mountains, rolling hills, green valleys, picturesque farms, scenic rivers and color. The autumn woods run the entire color spectrum from the blazing reds of the maples, the yellows of birch and beech to the violets of the ever present mountain backgrounds. But it's the Charming Villages that bring it all together and give life and character to a pace and time we all so fondly remember.

Down the road we go and our first stop is to view the spectacular Quechee Gorge. You will look down 163 feet to the cascading waters of the Ottauquechee River framed in stunning fall color. Cabot Creamery is one of the most visited sites in all of Vermont. Just down the road is the Goodrich Maple Farm that's been in operation since 1840! We'll learn all about the Maple Syrup trade and have a chance to purchase some local syrup for the pancakes back home! This afternoon we travel more back roads south through Morgan horse country to Middlebury, another classic Vermont village. Just when you think there can't be any more unique dining experiences, we find the Fire & Ice Restaurant. This is not so much a restaurant as a dine-in museum with its stained glass and mahogany nooks, library, and 1921 Hackercraft Motorboat that serves as a salad bar!
