## Day 2 - New York City

We meet our New York City Guide right at our hotel and travel to the southern edge of Manhattan Island and board the shuttle boats that will take us to visit the Statue of Liberty and Ellis Island. Enjoy a walk around Liberty Island and view this magnificent symbol of freedom. On Ellis Island, we'll have an opportunity to view special exhibits that detail the history of the 12 million people who passed through this Island on their way to making America their home. Of course NYC has many more sites to see and our guide will lead us on a special tour of many today. You'll have a couple hours to enjoy the sights and sounds of Times Square and to grab a bite to eat at a classic NY sandwich shop before we attend a special Broadway Play and experience all of its wonder and glory!

## Day 3 - New York City

This morning is free to attend church or explore NYC on your own. Our guide will meet us again for another 1/2 day of afternoon touring, seeing many more sights in New York City. Whether it's a walk in Central Park today or a visit to the garment district, we know that you'll enjoy the tour wherever it leads us in this magnificent city! We'll continue with our guide and visit the 9/11 Memorial Site and Museum. If there is any place else you wish to explore, tonight's the night!

## Day 4 - New York City to Hudson River Valley

We depart New York City this morning and travel a few hours north along the Hudson River. The Valley was designated as a National Heritage Area and is steeped in history, natural beauty, and culture. Our first stop today will be at the Sleepy Hollow Cemetery where a

Then we will continue our drive north along the river, enjoying the little towns along the way and the beauty of the river valley. We'll travel to Fishkill, NY where we will check into our hotel for another 3 night stay.
