Day 3 - Honolulu/Waikiki

Today we're in for a real treat with a visit to the Dole Pineapple Plantation for a tour, garden viewing, instructions on how to properly cut a pineapple, and possibly some pineapple treats to try! The Dole Plantation is one of the only remaining pineapple planta-

tions in Hawaii. Originally operated as a fruit stand beginning in 1950, Dole Plantation opened to the public as Hawaii's "Pineapple Experience" in 1989. Today, Dole Plantation is one of Oahu's most popular visitor attractions and welcomes more than one million visitors a year. Once we leave the plantation, Oahu's stunning North Shore is just a short drive away. This time of the year should be the best time for seeing some of the biggest and most dangerous surfing waves along the beaches. No worries; we won't be stopping to surf, but do take a look at these epic waves! We'll spend the rest of the afternoon and evening at another one of the island's most popular cultural centers: the Polynesian Cultural Center, voted the #1 attraction in Hawaii by USA Today. We'll explore 42 acres of tropical splendor featuring 6 authentic villages representing the island cultures of Hawaii, Fiji, Aotearoa (New Zealand), Samoa, Tahiti, and Tonga. Mingle with Pacific islanders as they share the majesty of their culture through music, dance, and traditional hands-on activities. Enjoy the wonderful island buffet before finishing off our adventure through the power of "Ha: Breath of Life," an action-packed evening show. Ignited by fire, song and dance featuring over 100 Polynesian performers, this story of passion will make this day a truly unforgettable experience. It will be a late evening, but remember tomorrow is a free day to do as you please!

Arrive at the Minneapolis/St. Paul international airport today with memories of a grand Hawaiian Paradise Getaway!

"TORA! TORA! TORA!"

These Japanese code words signal that surprise is complete. Those who see the low-flying planes think it is a training exercise. The first wave hits its targets just before 0755. An American alert is quickly sent: "Air raid Pearl Harbor this is no drill!" A second wave strikes an hour later. By 0955 the attack is over.

With reverence we visit Pearl Harbor
