Your best views will come from a ride on the Cog Railway to the top. Lunch will be included at the Garden of the God's Trading Post. See breathtaking scenery as we wind around mountain peaks, canyon walls, and rushing streams enroute to Silverton, once a bustling mining town in the 1870s. Nestled in the San Juan Mountains, Silverton is a national historic landmark. Take time to explore Silverton's historic architecture built between 1882 and 1910 during Silverton's boom time. Motor on the million-dollar highway over Red Mountain Pass of the San Juan Mountains to Palisade.
