**We will visit Seven Beautiful Baseball Complexes**

The Phoenix Area is the Spring Training home for 15 MLB teams. We will see 11 of them! The month of March is a mecca for fans who enjoy baseball, blue skies, sunshine and the joy of following the stars of the game up close. Even more fascinating is following the progress of the "future stars" of the game as they pursue their dream.

*Baseball doesn't get any better than this!*
