Exploring NYC with an expert local Guide

Statue of Liberty & Ellis Island

9/11 Memorial Site & Museum

One World Observatory

MAP AT A GLANCE

Lovely Central Park

Visiting 9/11 Memorial

One World Trade Center - 1,792 feet to tip!

Day 1 - Home to New York City

Today we fly to New York City, where we'll be transported to our hotel, the Sheraton New York at Times Square. The location of our hotel is perfect for seeing the city over the next few days! After a nice Welcome Dinner, you are invited to join your Tour Director and explore the exciting Big Apple.

Included Meals: Dinner

Hotel: Sheraton New York at Times Square (4 Nights)

Days 2 & 3 - New York City

These two delightful days will be filled with great sights & experiences as we explore NYC. Our local expert guide will lead us on a journey we'll long remember, including ferrying out to the Statue of Liberty, symbolizing American freedom to all. Enjoy a walk around Liberty Island. Then visit Ellis Island and discover, by exhibits, the 12 million people who came here looking for a better life. Depending on traffic, our guide will possibly take us to Wall Street, World Trade Site, the Garment District, Empire State Building, the Lincoln Building, the Brooklyn Bridge, Greenwich Village, St. John the Divine Cathedral, a walk through Central Park, a visit to Harlem, spectacular 5th Avenue, Grand Central Station, Ground Zero, and much more! A special visit to the 9/11 Memorial Site & Museum will cause us to pause and remember that fateful day. One of the evenings you will have plenty of time to enjoy the sights and sounds of Times Square and to grab a bite to eat at a classic NY sandwich shop! The other evening we are guests at a Broadway play!

Day 4 - New York City

Over the last couple days we have enjoyed many highlights of fabulous NYC! Today we will experience even more as our expert guide joins us again from 9 am - 2 pm. Walking on the Brooklyn Bridge and catching the Subway are on the agenda. So is the One World Observatory, located at the One World Trade Center (also known as the Freedom Tower.) Truly "an experience above" - there is much to see & learn at the Observatory! Then the rest of the day is free: perhaps you'll want to take a leisurely horse-drawn carriage ride through Central Park. Or maybe shopping at Macy's, FAO Schwarz, Saks Fifth Avenue, Barneys New York, Lord & Taylor, or Bloomingdale's is on your list!

Day 5 - New York City to Home

This morning we bid goodbye to the hustle & bustle of New York City as we depart for the airport. What fun adventures and memories we'll share of our New York City Highlights!

A Note about Meals:

Only one meal is included on this tour. We will be on the go, which makes it hard to plan group meals. Also, we wanted to give you the opportunity to choose the type of local food that you will enjoy the most and in the price range that you choose.

Cruise to Lady Liberty and visit the Statue of Liberty Museum

New York City has many nicknames: The City of Dreams, the City That Never Sleeps...
