## HIGHLIGHTS

Come away with R&J for six marvelous days,  
Our itinerary is great, it is sure to amaze!

One stop was named "one of the best" by Country Living Magazine,  
We'll see old pharmaceutical items here and also get our fill of green beans!

We'll tour a magnificent building constructed of gold-colored stone blocks,  
And to prevent jailbreaks they didn't use rocks!

We'll get our classic fill at a hopping place,  
And 3 nights at one hotel we will embrace.

Antiques, photo ops, candy & ice cream at one grand stop,  
And how about the world's largest for another photo op!

We'll tour a unique roaster & enjoy a sample,  
Then a 3-course lunch will be more than ample!

A two-story brick, Federal-style home gives a stately impression,  
Including guides in period costumes & a kitchen demonstration.

A special ride to view two incredible rivers from up high,  
And a scenic cruise along the river we will ply!

A memorable dinner takes us back in time,  
With famous dinner hosts our fulfillment will climb!

What would life have been like for this population,  
The mounds will take some investigation.

A newspaper turned into a brewery, you don't say!  
For lunch, a tour, and tasting we will stay.

Four generations of family bakers making treats,  
We'll be sure to get our hands on some great sweets!

Welcome to the 1940s farm life, there is much to see:  
Tractors, barns, donkeys, goats & a wildlife preserve with vistas overlooking the prairie & trees.

It's four dry docks that service over 150 ships each year,  
We'll see propeller blades, keels, and engines stored in the yard here.

Then it's gasoline, asphalt, jet fuel, and propane,  
Learning how they are made will be to our gain.

Along the way we will enjoy great food and view old cars,  
And listen to Neil Diamond – what a star!

We'll return home enriched and happy,  
Bidding our new friends good-bye & perhaps even getting sappy!
