This evening the magic & lights of the Big Apple will come alive as we see this exciting city from the water aboard our harbor cruise, complete with a fabulous dinner and dancing!

## Days 2 & 3 - New York City

These two delightful days will be filled with great sights & experiences as we explore NYC. Our local expert guide will lead us on a journey we'll long remember, including ferrying out to the Statue of Liberty, symbolizing American freedom to all. Enjoy a walk around Liberty Island. Then visit Ellis Island and discover, by exhibits, the 12 million people who came here looking for a better life. Our guide will take us to Wall Street, World Trade Site, Chinatown, the Garment District, Empire State Building, the Lincoln Building, the Brooklyn Bridge, Greenwich Village, Katz Deli, a walk through Central Park, a visit to Harlem, spectacular 5th Avenue, Grand Central Station, Ground Zero, and much more! A special visit to the 9/11 Memorial Site & Museum will cause us to pause and remember that fateful day. We'll experience 360° views of NYC from Top of the Rock's observation decks set 70 floors above Rockefeller Center! Both evenings you will have plenty of time to enjoy the sights and sounds of Times Square and to grab a bite to eat at a classic NY sandwich shop.

## Day 4 - New York City

Over the last couple days we have enjoyed many highlights of fabulous NYC! This is still more to discover, so today we will continue our city touring with our remarkable local guide. Then mid-afternoon we will bid our guide goodbye and return to our hotel. You may wish to put your feet up & relax. Perhaps you'll want to take a leisurely horse-drawn carriage ride through Central Park. Or maybe shopping at Macy's, FAO Schwarz, Saks Fifth Avenue, Barneys New York, Lord & Taylor, or Bloomingdale's is on your list! Our tour's finale will be attending "The Lion King" Broadway play on our last evening together!

## Day 5 - New York City to Home

This morning we bid goodbye to the hustle & bustle of New York City as we depart for the airport. What fun adventures and memories we'll share of our New York City Highlights!

### A Note about Meals:

Meals are not included on this tour. We will be on the go, making it hard to plan group meals. Also, we wanted to give you the opportunity to choose the type of local food that you will enjoy the most and in the price range that you choose.
