Day 2 - Newport

After breakfast, we'll start with a half day guided tour, giving us our first taste of Newport's opulence. First we'll meet Mrs. Caroline Astor, the Grande Dame of Newport and New York Society in the Gilded Age of the late 1800's. Enjoy the charm of Newport's historic buildings and restored homes on this narrated tour covering over 150 points of interest. We'll take in the rugged beauty of Ten-Mile Ocean Drive and the fabulous mansions along tree-lined Bellevue Avenue. Then we make our way to the Marble House for a self-guided tour. Built between 1888 and 1892 for Mr. and Mrs. William K. Vanderbilt, it was a summer house, or "cottage", as "Newporters" called them in remembrance of the modest houses of the early 19th century. Mr. Vanderbilt was the grandson of Commodore Cornelius Vanderbilt, who established the family's fortune in steamships and the New York Central Railroad. Next, enjoy free time for lunch on your own on the historic downtown waterfront lined with antique stores, art galleries, specialty shops and restaurants. This afternoon we're treated to a harbor cruise aboard the Coastal Queen. From the water's perspective, we'll experience magnificent Newport Harbor and the Bay with views of lighthouses, harbor mansions, and forts. We'll cross the bay to see Clingstone, Jamestown, and Rose Island Lighthouse, whose fixed red light first shone over lower Narragansett Bay in 1870. This enclosed harbor tour shows Newport off at its picture-perfect best. We'll return to our hotel to enjoy dinner and the evening.

Day 3 - Newport

We'll enjoy breakfast at the hotel this morning. Then we're guests at the Gilded Age Breakers Mansion for a self-guided tour of this Renaissance Revival style, 70-room mansion. The Breakers, built between 1893 and 1895 as a summer residence for Cornelius Vanderbilt II, is the grandest of Newport's summer "cottages" and a symbol of the Vanderbilt family's social and financial preeminence in turn of the century America. Afterwards, we head to the Newport Playhouse for a wonderful buffet lunch and a fantastic show. (At time of print, the Playhouse had not announced its show yet.) Following the performance, we'll return to our original seats as Company Members will continue to entertain us with the Cabaret, a Vaudeville style review filled with songs and laughter. Then we return to our hotel. Dinner is on your own – you may choose to eat at the hotel's restaurant or take the complimentary shuttle to downtown.

Included Meals: Breakfast, Lunch

Day 4 - Newport / Block Island

After breakfast at the hotel, a local guide will join us for the day. We'll head to Point Judith where we'll board a ferry to Block Island, known as Manisses (the Little God's Island) by the Narragansett Indians. This picturesque island is just 10 square miles and is home to pristine beaches that are protected by charming lighthouses as well as spectacular bluffs that offer breathtaking views. We'll thoroughly enjoy our guided sightseeing tour of this special island! Our guide will give us ideas of where to find a light lunch and we'll have time to browse the downtown island shops. Next we'll gather at Block Island's flagship Victorian hotel, The National Hotel, for a scrumptious lobster bake as we take in the grand views of Old Harbor! It's time to bid the island behind and ferry back to Newport.

Included Meals: Breakfast, Dinner

Day 5 - Newport

Breakfast is served at the hotel this morning. You may enjoy a leisurely morning at the hotel or there's an optional walking adventure. For the travelers interested, a local guide will take us on an easy, half mile (1 hour) walk on the Cliff Walk. Enjoy the natural beauty of the stunning coastline with the architectural history of the Gilded Age. The panoramic views of the ocean with waves crashing on the magnificent bluffs are what makes the Cliff Walk so unique. This walking tour ends at the Breakers, where we'll meet our coach and any travelers who originally stayed at the hotel. Then our guide takes us to visit the Rosecliff Mansion for a self-guided tour. Commissioned by Nevada silver heiress Theresa Fair Oelrichs in 1899, the house was completed in 1902. Mrs. Oelrichs hosted fabulous entertainers here, including a party featuring famed magician Harry Houdini. Scenes from several films have been shot on location at Rosecliff, including *The Great Gatsby*, *True Lies*, *Amistad*, and *27 Dresses*. After an included lunch in downtown Newport, we'll travel to Portsmouth to the Green Animal Topiary Garden. This is the oldest and most northern topiary garden in the United States. The beautiful, 7-acre estate overlooks the Narragansett Bay. Containing a large collection of topiaries, including eighty sculptured trees, the Garden is uniquely enchanted. Next our guide takes us to Blithewold, a 33-acre summer estate with grand views of Narragansett Bay and is nationally significant in American history as one of the most fully developed and authentic examples of the Country Place Era. The property features a 45-room mansion filled with family heirlooms and is framed by a series of lovely gardens that range in character from mysterious to exotic and from poetic to practical. Returning to our hotel, dinner and the evening are on your own.

Included Meals: Breakfast, Lunch
