Good morning from Grand Superior Lodge!

Day 1 - Home to Two Harbors, MN

Our scenic North Shore adventure begins with a stop at the Lake Superior & Mississippi Railroad Co. All aboard the Duluth River Train for a 6-mile rail journey along the scenic St. Louis River. The fall color around us will add to the area's beauty. You may wish to visit the open-air car to capture the sights with your camera and to watch a second locomotive being coupled to the train to pull us back to the depot. A box lunch will be served onboard. Our coach then departs for the famous Glensheen Mansion in Duluth where we'll enjoy a guided tour of this impressive, 29-room mansion. Built from 1905-1908, this Jacobean Revival mansion sits on 12 acres of waterfront property of Lake Superior. Be sure to explore the lovely grounds as well! Next we continue up the north shore to Two Harbors to check into the Grand Superior Lodge for two nights. What a wonderful setting! Dinner is served this evening at the resort. Anyone up for roasting a lakeside s'more?!

Day 2 - North Shore Exploring

A breakfast buffet at the lodge will fuel us for our day ahead. Departing with our step-on guide for the day, we will travel up the shore to picturesque Grand Marais. We will learn about the area's history and beauty. Time will be given to enjoy shopping & lunch on your own in this quaint small town. Next, we travel south back along the shore to famous Split Rock Lighthouse. From the rocky North Shore cliffs, Split Rock Lighthouse guided freighters safely across the stormy waters of Lake Superior for half a century. During our self-guided tour, we will also have access to the visitor center, historic grounds, and fog signal building to explore on our own. The beautiful fall color has made our stops today all the more breathtaking! Then we return to our lodge to relax and enjoy our surroundings before gathering for a nice lodge dinner together. For dessert, we'll savor every bite of world-famous Betty's Pies – yum!
